

Local Government and Community Care Forum

NSW Local Government -
how can we meet the
challenges?

Spectrum of council issues

Issues

What **is** the future model?

All CDC

Some block funding

HACC separate from Home Care

Separate Disability

Uncertainty in LG - review

Community Services staff look to future

Re-examine goals and needs

How well LGA is serviced – rural??

Consult with service users about changes

Identify impacts of changes to senior staff

Council is considering options

Budget uncertainty

How much does council supplement

Assess process changes needed eg IT HR

Identify impacts to councillors

Options

Retain services

Best structure for service delivery

Retain benefits of current HACC

Engagement strengths

Build community capacity

Staff skill requirements

Transition out of services

Plan for transitioning out

Support local services
