## The feeling's mutual. StateCover Mutual.

Dedicated employees form the backbone of every council. As a leader, making sure your staff enjoy a safe, secure work environment by pro-actively managing workplace risk can be challenging.

When you partner with StateCover, you really are putting your employees first. That's because we reinvest surplus funds into delivering outstanding Member benefits such as more affordable premiums and superior return to work outcomes.

We have more than 18 years' experience as a mutual specialising in local government, giving us an invaluable in-depth perspective into workplace risk for NSW councils. Our Members benefit from direct access to our dedicated industry experts, leading-edge resources, sector-specific knowledge and tailored workplace risk solutions.

Want to look after the best interests of your employees by implementing best practice injury prevention and management strategies? Want to keep your employees safe, healthy, and productive at work? The feeling's mutual. StateCover Mutual.

# WELCOME

## Welcome from the President

Cr Linda Scott

Welcome to the 2019 LGNSW Annual Conference: an opportunity to share ideas, seek inspiration, and help determine our sector's policy directions for the coming year. Our host city of Liverpool offers a wonderful location to interact with colleagues and debate the issues we all face.

Innovation is our theme for 2019, so it is fitting that we have added a one-off event, a Meet the Politicians Breakfast, where we will be joined by Premier Gladys Berejiklian, Opposition Leader Jodi McKay, Deputy Premier John Barilaro, Local Government Minister Shelley Hancock and Shadow Local Government Minister Greg Warren, alongside members of the crossbench. All have taken time out of a parliamentary sitting week to be with us; an illustration of an increasingly constructive and collegiate relationship with our state colleagues.

The past 12 months have been action-packed, with state and federal elections and a run of advocacy wins, illustrating local government's power when we act together on issues affecting all our communities. We secured an increase of \$60m in library funding, a reversal on the emergency service levy, with the NSW Government announcing it will cover the first year of the price hike for all councils, and finally secured the release of three long-awaited IPART reports (including the rating review) – documents critical to the future sustainability of local government in NSW.

## Welcome to Liverpool

Mayor Wendy Waller  
Liverpool City Council

Our warmest welcome to esteemed colleagues, sponsors and special guests at the 2019 Local Government NSW Annual Conference in Liverpool, on Darug land.

We are proud to host you at premier event facilities in Liverpool such as The William Inglis Hotel and Casula Powerhouse Arts Centre. The William Inglis Hotel's presence in Liverpool reflects burgeoning investment in the area and faith in our bright future. Casula Powerhouse Arts Centre is one of the most popular arts and culture destinations in Sydney and is known for championing diverse voices. Both venues speak to the changes in Liverpool and the things that make us who we are.

With your help championing key priorities in the lead up to the state election we secured: an additional \$355m for drought assistance (with a further \$78m announced by the NSW Government at the end of August 2019); substantial investment in water infrastructure to secure town water supplies (primarily through the \$1b Safe and Secure Water Program); action on cost shifting with a commitment to take back up to 15,000km of regional roads; and \$1b in new funding to fix local roads and timber bridges.

Our advocacy in the planning space has achieved a further three-month pause on the implementation of the medium density housing code and the long-awaited appointment of a NSW Building Commissioner. We've also worked with joint organisations to win \$1.95m in additional funding to support them.

And we continue to provide expert advice and assistance to our members through a range of services including industrial relations and legal advice, professional development, training and learning programs, and human resources and executive services.

These are just a few recent examples of the great things we have achieved. Of course, there are still many challenges ahead on a range of issues from waste and recycling to cost shifting and infrastructure funding. I'm looking forward to debating the motions brought to conference by you and your colleagues and getting on with the business of shaping LGNSW's advocacy for the year ahead.

I take this opportunity to thank the LGNSW Board, which has given such support and strength to councils across the state. I also thank our dedicated and wonderful LGNSW staff, who help us achieve so much each and every day for NSW local governments.

I thank the generous support of our sponsors: Elite Sponsor StateCover Mutual Limited; Premier Sponsor Statewide Mutual; Planning Sponsor NSW Office of Emergency Management; Transport Sponsor Transport for NSW, Distinguished Sponsors Local Government Super, the Office of the NSW Business Commissioner, and JLT; and of course, all our trade exhibitors, who will showcase the latest products and services available to the sector.

Liverpool's journey from the fringes of Sydney to its third CBD and the gateway city to the Western Sydney International Airport is remarkable. And, most importantly, it would not be possible without effective decision-making and collaboration across all levels of government.

It is fitting that this year's conference guests will gather in our city to participate in workshops that will strengthen local governments – particularly in the ways councils operate and collaborate with each other, State and Federal governments to serve our communities. As the tier of government closest to the people, it is important that our voices are heard and respected at a State and Federal level. Our residents are counting on us.

I trust you will enjoy your visit to Liverpool, one of the most multicultural and rapidly growing cities in Australia. There is plenty to experience and I encourage you to make the most of your time here.

This program is correct at the time of printing. Speakers and program details may have changed due to unforeseen circumstances.

This year's conference will aim to create discussion and inspire new thinking about how councils can best address their challenges through INNOVATION.

Using keynote speakers, corporate presentations and case studies, we will explore how councils can work together to develop innovative approaches to tackle common problems facing them in the provision of services.

**James O'Loghlin**  
Broadcaster, Author,  
Innovation Expert

Many of us want to focus more on innovation and improving our way of operating, but find that at the end of the year, for some reason, it just hasn't happened. What went wrong? What factors stop us from being innovative, and how can we overcome them? In this informative and entertaining keynote illustrated with relevant case studies, former host of 'The New Inventors' and innovation expert James O'Loghlin will share easy-to-implement strategies to overcome those barriers.

**Paul Hawkins**  
Founder and Chief Combobulator,  
Crazy Might Work

Crazy Might Work is a national leader in innovation, with a mission to equip and inspire people and organisations to innovate, collaborate and make a difference! Paul's presentation will inspire you to harness world-leading innovation frameworks, social and neuroscience to tackle the most complex of community challenges. You will learn why change is painful, how to innovate collaboratively; and how to drive effective behavioural change.

## Innovation Spotlight Panel

This panel will feature case studies spotlighting innovative approaches to tackle common problems facing local government. Case studies include:

- The Smart Beaches Project
- Namoi Unlimited, The International Engagement Project, China
- Smart Cities, Smart Liverpool, Smart Pedestrians
- Smart Social Spaces, Smart Street Furniture
- Trial of recycled glass pavement on new Pacific Highway
- City of Newcastle's Smart City Strategy

**Chris Riddell**  
Futurist

Chris is an award-winning global futurist and industry recognised inspirational keynote speaker on emerging trends in our hyper-connected world. He is a global pattern hunter, discovering and identifying how humans are changing and adapting to high-speed change, unlocking insights for businesses and leaders in today's highly disrupted digital world.

## Registration Opening Hours

Monday 14 October, 9.30am – 4.30pm

Tuesday 15 October, 7.30am - 5.00pm

Wednesday 16 October, 7.30am – 5.00pm

All conference attendees need to register at the registration desk to receive a lanyard for identification during the conference. All delegates and sponsors should be registered online before attending the conference. For all cancellations, name badges and replacement delegate information, please contact the registration desk.

Special guests or speakers should make themselves known at the registration desk or ask to be directed to LGNSW events staff.

Delegate registration fees cover business papers, the President's Opening Reception, two-day business sessions (including arrival coffee, morning, afternoon tea and lunch) a name badge and a conference bag. The cost to attend is heavily subsidised by LGNSW and sponsorships.

## Voting at the Conference

If you are the voting representative for your council, you must be in the Sales Arena on Tuesday 15 October so a quorum can be achieved.

All voting will be by electronic handsets. A delegate plastic voting card will be distributed at registration. The plastic voting card must be returned at the end of the voting day or a fee of \$100 per card will be invoiced to councils. Electronic handsets will be distributed on entering the Sales Arena at the rear of the room and a demonstration of the cards and electronic handsets will be given prior to business motion voting. Lanyards will also identify those who are voting delegates.

## Changes to Voting Delegates

To change a voting delegate at the conference, see the voting delegate substitution registration desk for a nomination form (to be signed by your general manager), transferring the voting right.

## Business Papers

Member councils will receive a printed copy for each registered voting delegate of the business paper one week before the conference. Papers will also be available to download from the LGNSW website and the conference app.

## Commitment to Environmental Sustainability

Local Government NSW is committed to ensuring the LGNSW Annual Conference 2019 is organised and conducted in a sustainable manner to reduce the impact on the planet. The event will adhere to LGNSW Principles and Guidelines for Event Sustainability (version 4.4). A full list of sustainability measures is on the LGNSW website.

## Conference Venue

The conference will take place in the William Inglis Hotel, 155 Governor Macquarie Drive, Warwick Farm. The Sales Arena is the venue for plenary sessions. Registration and the trade exhibition will be under cover between the main conference room and trade exhibition. Workshops will take place in the Garden Pavilion and Grand Arme.

The trade exhibition is on the external grounds of the hotel in The Big Barn and Stable B. A delegate lounge with access to device charging stations is in Pavilion B, The Big Barn and Stable B and is sponsored by Transport for NSW.

## Coach Transfers

Complimentary coach transfers will be offered between the conference venue to social functions each day from the conference accommodation listed below, courtesy of Liverpool Council. Should you require a transfer it must be booked as part of your registration.

Transfer hotels include:

- The William Inglis Hotel Warwick Farm
- Holiday Inn Warwick Farm
- Quest Liverpool
- Rydges Bankstown
- Ramada Hotel Cabramatta
- Mercure Liverpool
- Quest Campbelltown
- Best Western Casula

A subsidised coach transfer will return to Sydney Domestic Terminal on Wednesday 16 October from the William Inglis Hotel at 4.30pm. The charge is \$22 per person. If you have not already booked this and would like to do so please let staff know on the registration desk.

## Parking

The William Inglis Hotel has a car park and parking is complimentary. Entry is off Governor Macquarie Drive.

## Accessibility

The William Inglis Hotel is an accessible venue and has wheelchair access to all areas via ramps and lifts. LGNSW has connected hearing loops in the main conference locations.

## Social Media

If you are posting conference content on Twitter, LinkedIn, Instagram or Facebook, please use #LGNSW2019.

## Photography

Camera Creations is the appointed photographer for the conference and will take pictures during sessions and social functions. If you have your picture taken, it is assumed you consent to LGNSW using the images. Images may be used for print and electronic publications with the approval of LGNSW.

## Childcare Arrangements

If delegates require childcare, please contact [www.dummiesandplaydates.com.au](http://www.dummiesandplaydates.com.au) or phone 0412 791 528.

## Conference Feedback/Surveys

After the conference, LGNSW will send all councils an electronic survey to gather views on the conference proceedings and procedure. All feedback is appreciated and helps us further improve LGNSW events.

## Delegate App

There is a delegate app available to use at the conference. The app includes the delegate list, links to program and business papers, speaker profiles, a message facility to other delegates, and other useful information. You can upload the app to your device via the link emailed to you before the conference or via your App store searching for 'LGNSW 2019'. If you require assistance with the app on site, please see staff at the registration desk.

## Delegate Contact Details

Please note that a nametag scanning facility will be available on site for sponsors and exhibitors to scan delegates' nametags, resulting in delegate contact details going straight to the scanning sponsor and exhibitor. It is your choice to have your contact details passed on to our supporters. By registering for the conference, you are deemed to have acknowledged and accepted this process and are aware that by allowing your nametag to be scanned your contact details will be shared with the scanning sponsor.

## Conference Contacts

LGNSW has appointed a conference secretariat who will be available at the registration desk to answer sponsorship and trade exhibition enquiries and assist with any registration issues. Conference Secretariat details:

Good Governance  
is critical for Local  
Government

An important part of **good governance** is meeting a Council's legislative obligations, which includes obligations under the **Copyright Act 1968** (Cth). As Council employees are increasingly required to use information from a range of copyright sources, with little time to assess permission or licensing criteria for reuse, leading Councils are turning to umbrella copyright licensing to help **streamline workflow and ensure compliance** while letting staff get on with their jobs.
