

Resources available to support councils

Strategy 8 – Implementation and Collaboration

Type of Resource	Title	Author or Organisation	Description
Research	Councils learning from each other: An Australian case study	ACELG and UTS:CLG	This research report explores motivations for, and facilitators and barriers of, inter-council learning. The study identifies how information, ideas and inspiration is accessed from peers and then taken further and imbedded within their own organisations. https://opus.lib.uts.edu.au/bitstream/10453/42137/3/Councils_learning_from_each_other.pdf
